

# Gasket sheet AF-202 typ 212

## Application:

Popular sheet designed for sealing purposes in area of low pressures and temperatures. Specially recommended for oil-fired heating systems.

## TECHNICAL PARAMETERS:

<b>Standards satisfied and approvals</b>	
<b>Classification per DIN 28091-2</b>	FA-AM1-O
<b>Basis</b>	aramid finers, mineral fibers, NBR caoutchouc
<b>Density</b>	2,0
<b>Maximal operating conditions:</b>	
<b>Peak temperature</b>	200°C
<b>Continous temperature</b>	180°C
<b>Continous temperature in steam</b>	150°C
<b>Pressure</b>	4 MPa
